

A publication of the Association of Former OSI Special Agents

# **Necrology of Former Members of Air Force Office of Special Investigations**

Last Updated May 8, 2013

## PREFACE

This Necrology is based on a database initially developed by the National Capital Chapter in support of the AFOSISA Memorial Ceremony at the Tomb of the Unknown Soldier, Arlington National Cemetery, Arlington, VA, on 2 August 1988. It has been updated by volunteers at the National Office of the Association based primarily on data provided by the membership. It is a continuing project of the National Office.

*They shall grow not old, as we that are left grow old:  
Age shall not weary them, nor the years condemn.  
At the going down of the sun and in the morning  
We will remember them.*

— Lawrence Binyon, 1869–1943

Disclaimer: The Association accepts no responsibility for the accuracy of the data reported. Any corrections and/or omissions should be reported to the Executive Officer at the address below. The symbol [+] following a name indicates the person was not known to be a member of the Association at the time of death. An asterisk [\*] signifies killed in action. Names in **bold** have been added since the last update (8/31/2012).

# High Flight

Oh! I have slipped the surly bonds of earth  
And danced the skies on laughter silvered wings;  
Sunward I've climbed and joined the tumbling mirth  
of sunsplit clouds  
And done a hundred things you have not dreamed of,  
Wheeled and soared and swung,  
High in the sunlit silence.  
Hov'ring there,  
I've chased the shouting wind along  
And flung my eager craft  
through footless halls of air.  
Up, up the long delirious burning blue,  
I've topped the wind-swept heights  
with easy grace,  
Where never lark nor even eagle flew,  
And while with silent lifting mind  
I've trod the high untrampled sanctity of space,  
Put out my hand and touched the face of God.
